www.sevensgolf.com.au

Sevens Golf is open to **EVERYONE**, so to register yourself or your team to play, go to www.sevensgolf.com.au or contact the nearest participating golf club.

The Champions League

The Champion teams from each club will play from the comforts of their home course, for the Sevens Golf Champions League early in the following season. A knockout competition will decide which team is the Champions League winner for the year, without the need to travel away from your home course. Even in its most competitive form, Sevens Golf still gives you the freedom to play at your own time!

Get a live update on your team's performance online at www.sevensgolf.com.au with your own unique login, see if you have improved your handicap over the course of the season, message your team mates, learn some basic rules of golf, and much, much more.

At the end of the season the top teams at your club will playoff in a Finals Series to determine your clubs' Grand Final Champions. While we do award a trophy to the winners, don't expect to be playing for a million dollars. Playing Sevens Golf is about enjoying a relaxed and social golfing experience with your mates, not about winning at all costs.

Want to play a
9-hole golf event
that's **VERY SOCIAL**
& a lot of **FUN?**
